Plans

1. Path Segment 1, Plan Sheet 1-2, approximate Station 14+25, house address 88 S Dogwood Lane: One (1) additional tree and stump must be removed. It has been determined that in order to comply with ADA standards and in order to maintain proper minimal clearance to the operational parts of the fire hydrant and due to the presence of buttress tree roots that the 18" oak tree at this location must be removed complete. See the portion of the plan on the following plan sheet.
